

B Tour de Bretagne

23-24 June 2017

Newsletter No2: July 2017

Well, the Midsummer weekend in Brittany was a real blast. And judging by some of the comments and feedback since the event it looks as though you enjoyed it too!

Herve and Nathalie at the Hotel du Golf de Saint Laurent certainly did us proud. They were wonderfully welcoming and the food each evening was some of the best we've enjoyed in the 10 years of running the Tour de Bretagne.

Accompanying this Newsletter is your complimentary photograph (which forms part of your finisher's commemorative gift) and a Reservation Form for 2018.

Lunch stop at Paimpont

After long chats and visits to several hotels by Jo and Norman, we've now made a provisional booking at the Hotel Oceania in Quimper. This four star establishment has been on our shortlist in previous years but, despite its excellent facilities, we've always gone for hotels with more rural charm. However, this time we've opted to base the event in Quimper because it

offers you the opportunity to explore this delightful city, the administrative and cultural capital of Finistere, either before or after the Tour.

The Hotel Oceania, Quimper

Although we'll need to include rather more main roads and city driving than usual, the other upside is that the city is surrounded by wonderful countryside.

The bustling heart of Quimper

So, make a note in your diaries.

22nd/23rd June 2018
Tour de Bretagne 2018

The maximum number of entries will be somewhere between 30 and 35 so we expect to be oversubscribed in 2018 as we were in 2016 and 2017. So, those of you who did the event in 2017 get the opportunity to reserve a space for 2018 first. Therefore, if you fancy joining us on 22/23 June 2018, please complete the attached reservation form and return it to

us with a £100 deposit as soon as possible. We will not be releasing details or marketing the 2018 event to potential new participants until September.

As always, we recognise that unforeseen things happen so, should you need to withdraw your entry before the end of the year, your deposit will be refunded in full. See the form for details.

Some of you asked about whether you could buy Tour de Bretagne clothing similar to that which we wear. Thanks to Helen's company we are able to offer sky blue polo shirts, embroidered with the Tour de Bretagne logo at the very reasonable price of £14.95, including mainland UK delivery.

We've attached an order form for those of you who would like these fancy new polo shirts for the 2018 Tour de Bretagne.

Again, several of you asked us to circulate a transcript of what people said in the comments book. So, below in slightly smaller print to fit them in are the many of those comments.

We've had a fabulous time again. Thank you very much. We would love to see you all again next year.

Fantastic weekend

Great event as always. I really love being part of the Tour family, looking forward to it every year. Can't wait until the next one if allowed back. Thank you everyone for all your efforts. Always greatly appreciated by all who have fun.

Once again, a fabulous event. Looking forward to seeing everybody again next year.

Fantastic few days as always – great organisation, great support and, most of all, great company. Can't wait for next year.

Don't get your knickers in a twist – you can rely on Brit Assist!

Great routes, great accommodation, great support, great people. A triumph, fantastic and well done.

If only our Lancia were enjoying it as much as we are we would be even happier.

Won't forget the sight of the stones in Carnac – a bit of ancient magic in plain sight. Your car becomes a sort of time machine taking you over the miles and through the centuries.

As always, a wonderful weekend with great people, amazing routes and scenery. Loved every minute.

Thank you Tour de Bretagne for a fabulous trip.

As before, a great route and excellent food. Thank you for all your efforts. See you next year.

We have only one complaint – why isn't it longer! Thanks team for another fabulous event.

Great event as ever.. Well planned and excellent tulip directions.

Another excellent event from all the Tour de Bretagne team.

Your events are the best we have experienced for many years. We hope there will be many more.

One of the best organised tours around. Let's have some more please. Ready to book again – where's the form?

We enjoyed this years event as much as our first last year. It is certainly a most enjoyable 2-day tour and we shall be back again.

What an amazing tour and so relaxed. We will definitely be back and hope that your tours continue for another successful 10 years.

This was our first Tour de Bretagne and we are full of admiration for the route, hotel and hospitality. It's also great value for money! It's obviously run by people who care. Impressive and we'll be back.

Our first car rally trip, so we were not sure what to expect. However, we found friendly guests, fabulous CMO and Brit Assist staff, amazing support overall, lovely hotel, great food, and serious value for money. Thank you all so much for the amazing experience.

A fantastic tour - filled with fun and friendship – and fabulous classic cars. Well done. Once again you've excelled – thank you for all your wonderful organising.
